### Directions

On the next two pages are a number of statements about school. The teacher will read one to you twice, and then you show how you feel about it by putting a tick (✓) in one of the boxes on the right hand side of the page.

There are no right or wrong answers.

You are asked to give the answers that show how you feel.

Now do the practice question:

		
AGREE	NOT SURE	DISAGREE

The best thing about school is playtime.			
--	--	--	--

If you are not sure what to do, ask your teacher.

Now turn over the page and listen to the teacher read the statement. You can read them at the same time.

Remember, only tick the box which shows how you feel.
